DISCUSSION QUESTIONS

1. Paul calls us to be “All-in”... to offer our entire lives as living sacrifices. Does your life reflect an “all-in” mentality or does it look more like the song PD sang... “I surrender HALF”? What might God be calling you to surrender?
2. How did the analogy of the ocean current help you relate to Paul’s warning about “conforming to the world”? In what specific ways do you feel the world pulling you away from God if you would just “go with the flow”?
3. What do the examples of Abraham and Moses in Hebrews 11 reveal about the connection between “renewing your mind” and “being transformed”? What areas of your own life have been transformed as a result of following Jesus?
