

The Gospel of Paul (25)

There Is a Judge, and You're Not Him!

Romans 14:1-12

Intro: An Awkward Meal

I. Disputable Matters (v. 1-6)

II. Motive Matters – Living for the Lord (v. 7-12)

DISCUSSION QUESTIONS

1. What other "disputable matters" can you identify (areas where there is room for Christians to do things differently)?
2. Talk about a couple of your "personal convictions" in these disputable matters. Why do you think God has led you to these convictions?
3. How can you follow these specific convictions in such a way that you "do it FOR THE LORD?" And now for the hard part... How could someone with a different conviction in this same matter "do THAT for the Lord?"
4. How have you seen the BEAUTY of Christ/His Church as people with different convictions work together and love one another?

Conclusion: The Beauty of the Church
