SUNDAY'S THOUGHT

God places us in specific situations and gives us purpose according to His timing (**Kairos**). God's timing is perfect, and He uses each of us, in our unique situations, for His purposes. It challenges us (Believers) to be aware of our circumstances and to be courageous in fulfilling the roles God has planned for us, trusting that He will use them to accomplish His will at the right moment.

Kairos can help us appreciate the role of divine timing in our lives. It encourages us to trust in God's plan and be patient, knowing there's a perfect time for everything.

Esther 4:14

"....Who knows if perhaps you were made queen for just such a time as this?"

Your Heart

How is your **heart**? This could be the most important question you answer today. The **heart** is referenced 633 times in the Old Testament and 170 times in the New Testament. God has a lot to say about its condition. The health of your **heart** determines the health of your life. So to get an accurate measurement of how healthy you are, take a deeper look at your **heart**.

The **heart** represents the center of our thoughts, emotions, and desires. The "**heart**" is crucial because it influences every aspect of life, guiding decisions and actions. By guarding our **hearts** diligently, ensures that our life is directed by wisdom, integrity, and righteousness, aligning with God's will and leading to a life of spiritual health and moral integrity.

By guarding our **heart**, we are encouraged to cultivate self-discipline, resist harmful influences, and maintain a positive and godly mindset. This vigilance ensures that our actions and decisions reflect our faith and values.

Above all else, guard your heart, for everything you do flows from it.
