SUNDAY'S THOUGHT

James 1:5 reminds us, "If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him." In Kairos moments, we need to seek God's wisdom intentionally. This is not the time to rely on human understanding or conventional wisdom; it's a time to lean into the Spirit of God. He promises to give us the clarity we need when we seek Him.

As we spend time in prayer and the Word, God sharpens our spiritual vision. He helps us discern what is important and what is merely a distraction. He aligns our hearts with His purposes, and His peace guides us as we take steps of faith. Your role is not to understand every detail but to trust that God's timing is perfect. His clarity often comes step by step, as you trust and obey His leading.

He has made everything appropriate in its time...
Ecclesiastes 3:11

Magnify

The psalmist is not content to exalt the Lord alone but invites others to join in **magnifying** and honoring His name. As believers, we are called to live in community and to come together to glorify God. There is power and blessing in corporate worship and praise. When we gather with others to lift up the name of the Lord, our hearts are united in adoration, and His presence is **magnified** among us.

This verse also reminds us that no matter what we may be facing individually, when we come together to exalt the Lord, our focus shifts from our circumstances to His greatness. In the midst of trials, challenges, and uncertainties, we can find strength, hope, and comfort as we join with others in lifting up the name of the Lord. Together, we can encourage and support one another in the faith, drawing closer to God as we **magnify** His mighty name.

**O magnify the Lord with me,
and let us exalt his name
together.**
