## SUNDAY'S THOUGHT

Satan plans to bring harm, chaos, and destruction into people's lives. He aims to steal and destroy

God's plan offers hope, restoration, and fullness of life. John 10:10 contrasts the purposes of God and Satan through the words of Jesus. In this verse, Jesus states, "The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full." Here, Satan, referred to as the thief, aims to harm humanity by stealing joy, killing hope, and destroying lives. In contrast, God's plan, as revealed through Jesus, is to offer abundant life, characterized by spiritual fulfillment, peace, and eternal salvation. This verse highlights the stark difference between the destructive intentions of Satan and the life-giving mission of Jesus.

**As believers, we must choose to align with God's purpose and resist the enemy's schemes.**

## Spiritual Alliance

**Fellowship** holds a pivotal role in the spiritual growth and well-being of Believers. It provides a supportive community where individuals can share their faith, encourage one another, and hold each other accountable. Through **fellowship**, Christians experience a sense of belonging and unity, which strengthens their relationship with God and with each other. It also serves as a platform for collective worship, prayer, and the study of scripture, fostering a deeper understanding of Christian teachings and values. Additionally, **fellowship** offers opportunities for service and outreach, embodying the love of Christ and extending it to the wider community.

Christian **fellowship** is more than socializing; it's about spiritual growth, mutual support, and reflecting God's glory. Let us value and actively participate in this essential aspect of our faith journey!

*Let us think of ways to motivate one another to acts of love and good works. And let us not neglect our meeting together, as some people do, but encourage one another*  
**Hebrews 10:24-25**
