If you are interested in receiving a copy of the scripture document provided last evening, please indicate by return email, and an electronic copy will be provided to you.

2/13/2023 Program:

- Review of some survey results with immediate decisions noted below:
- Name Change for future gatherings: First Church Women

All attending agreed fellowship and support to each other is important, The meeting format must change to provide focus and enrichment in an effort to sustain the gatherings and motivate other women (of all ages) to participate.

As discussed, inviting women to these meetings is essential in order to remain active in the immediate future. However, the future format of gatherings must be identified, coupled with a document of 'who we are and what we do and stand for' to share with an invitation.

- Please note: one of you ladies must assume the treasurer role. We are saddened to learn Sue Watson must give up this important role because she is moving at the end of March. Sue, thank you very much for all your dedication as treasurer! Thank you in advance for one of you ladies stepping up and assuming this treasurer role so Sue is able to assist with transition.
- On March 13 we will further review key points left 'open' on 2/13 for further decision/direction. Time permitting, we will view a "Right Now Media" short segment, and determine its use going forward as program material\*
