## March 2026

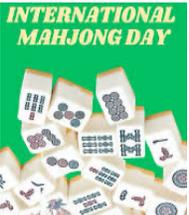

How would you describe the state of our world and country? And, how are YOU feeling about it all? It is good news to know that we have someone who walks with us in all seasons, including the challenging times. For the season of Lent, we will be exploring Psalm 23. In study and in story, we will be considering what it means to have The Good Shepherd with us always, as we look toward Resurrection Sunday.
