## Missing Dad Prayer

My earthly father has died, and I can't bear the thought of continuing in this world without him. I pray that Your divine comfort reaches my heart and fills me with Your peace.

Jesus, please bring people into my life who will listen with compassion, pray with sincerity, offer a shoulder to cry on, and allow me time and space to grieve the loss and deep anguish. Whether the loss is sudden or expected, there's often regret for words left unsaid or words I wish they could take back. Lord, please help me feel your loving presence and wash over me with a sense of peace in knowing I will see my loved one again.

If the pain becomes too deep and the grief too overwhelming, help me seek help from someone trained in grief recovery. Lord, you tell us in [Psalm 34:18](#) that you, "The Lord is close to the brokenhearted; he rescues those whose spirits are crushed." I trust you are with me and keeping me thru this time.
