Prayers for Women Desiring Motherhood

Father, in the name of Jesus, I pray for your daughter who desires to be a mother. Lord, thank You for giving her a natural desire to want to be a mom. It is your will for her to nurture child(ren) and raise them up in the training and instructions of You Father according to Your word and the leading of the Holy Spirit. May you and your husband love God and yourselves first and understand the importance of parenting your children together in harmony with the wisdom of God. Ephesians 6:4, Psalms 37:4-5, James 1:5, Proverbs 22:6, Psalms 37:4.

Lord, thank You for the unconditional love that You have for your daughter as her Heavenly Father. Thank You for giving them the ability to love themselves by understanding that their faith, worth, value, identity, and provision come from You, their Source.

Prayers for Women Desiring Motherhood Continued...

May God grant you the patience, unconditional love, compassion, peace, joy, financial stability, and sound wisdom to discipline your children in love, as well as discernment between good and evil influences that have access to the lives of your children. Ephesians 5:22-23, Romans 2:12.

Lord, during their times of waiting, give them the peace of knowing that Your timing is Your kindness and You are never late. When times of fear, anxiety, doubt, and uncertainty enter their mind, please allow them to find comfort in Isaiah 26:3, Mark 11:22-23, Isaiah 40:31, Matthew 7:7-8.

May your faith, hope, trust, and love remain in the Lord who is able to do exceedingly, abundantly, above all you can dare ask or think. Ephesians 3:20, Hebrews 11:6, Romans 15:13, Proverbs 3:5-6.

Daughter, YOU can do All things through CHRIST that gives you strength (Phil 4:13)

In Jesus Name Amen!
