

Prayer Confession Over The State of AZ

Father, we are simply acknowledging You for who You are, not for what You've done, not for what You're going to do, or even what You're doing at this moment, but we acknowledge You for being the One and only true and living God.

We ask for Your forgiveness as we all have, in some way, dishonored You with our words and actions. And as we confess our sins before You, we thank You Father, that Your word says, if we confess our sins that You are faithful and just and will forgive our sins and cleanse us from all unrighteousness.

Lord, we confess that there is none like You, who is our Redeemer and our Source. You are our great and exceeding reward. You are the One we choose to pursue in our lifetime.

We, as Your body, completely return to You in all our ways and we return to You and give You permission to intervene in all of our affairs and we ask that You restore the state of Arizona back to Your original intent, purpose and plan for us.

We confess that Holy Spirit You are the spirit of the living God and the greater One who lives on the inside of us.

We ask that You pour Your spirit out on the state of Arizona.

Father, we thank You that Arizona's motto is GOD ENRICHES! We maybe in the desert but we confess we are not deserted because You are with us, and we bless Your Holy name.

We confess that all the people living in these 91 cities located in the state of Arizona are saved and set free from the yokes of bondage that keep them stuck in dark and desolate places in their minds.

We bind the spirit of fear that has been loosed over the state of Arizona and its people, and we loose the love of Christ to bring about unity, equality, peace, sanctification, forgiveness, healing and justice.

Any and every demonic force that is operating through any persons, places and things in the state of Arizona, we confess as the body of Christ that you are being

exposed and stripped of all power and authority influenced by the power of darkness.

We confess right now in the name of Jesus, that the light and truth of who God is shine brightly in the heart of all people in the state of Arizona.

We cover every elected official that represents the state of Arizona. Declaring that each official operating in these offices will use their God given power and authority and influence to lead the people of Arizona in the ways of righteousness so that we may lead protected, peaceable, prosperous lives as our Heavenly Father purposed for each of us.

Father, we thank You for covering Pastor Brandon with the blood of Jesus as he ministers life to those in California. We thank You for using him prophetically to declare what thus says the Lord! We declare that California, and the USA, belong to you! Lord, as Pastor Kelly stands in Your presence representing the city of Goodyear, we ask Lord that You will think through her mind, heart and speak through her mouth to bring the kingdom of God's purpose and plans to earth. Let her faith filled words demolish the purpose and plans of the enemy that has been sent to the state of Arizona to divide, conquer and strip this land and people of the riches and glory God has promised us.

We confess that no weapon formed against Pastor Kelly, Pastor Brandon, their children, family, and WLC, will prosper as she declares the oracles of God through teaching. We bind every spirit of the enemy, and cancel every negative word spoken, every hex, vex, jinx, or curse that the enemy would try to send their way. The blood of Jesus is against them! We pray a hedge of protection around them and command angels to guard them and their family on all sides.

We confess that every dry spirit in this valley has the life of the living God springing forth in them and they are now drinking from the well springs of God that will cause them to thirst after Him and not the temporal things of this world.

As the body of Christ, we will continue to stand in the gap for the state of Arizona until every demonic force is uprooted and cut off from its life source and the people are restored back to their rightful places in the kingdom of God.

Lord, we invite You back to the state of Arizona and ask that You will dwell in our hearts and minds as we turn them back to You. We thank You Lord for giving us a newfound love for You.

We confess that no one who lives in the state of Arizona including the Mayor of Goodyear, Joe Pizzillo, and the governor, Katie Hobbs, and their families will be destroyed because we are here to cover them. And we cover those that will take new governmental positions in January.

In the name of Jesus, we tear down every stronghold of psychics, soothsayers, witches, warlocks, and all principalities that men, in their ignorance and rebellion, have given access to in this region.

We confess that You and You alone Lord Jesus are the way, the truth and the life, therefore we command the spirit of truth to be loosed over the state of Arizona in the name of Jesus.

We thank You Father for dominion, we thank You for authority, and we thank You for Power over all the powers of the enemy, in Jesus' name.

Father, we thank You for the great awakening that is happening even now and we confess that Your Kingdom come and Your will be done in the state of Arizona as it is in heaven, in Jesus name we pray, Amen.
