Roll Call

Present: D Cunningham, M Miller, S Alexander, O Anderson, B Neben, K Walters, C

Strine, J Woodhull, C Campbell, J Cario, L Bumiller, B Tanner, J Furmanski

Absent: D McClain

Visit with Bishop: J Woodhull & M Miller

Bishop is willing to find us a more permanent temporary solution (possibly a priest in charge type situation) that the bishop would pay for

It could take 6 months to a year from now for the Title IV process to conclude

We don't know the timeframe the priest in charge

We need someone to act as a priest in charge, not just be in the pulpit on Sundays

It will probably be August or September before the priest in charge can start

Doesn't seem to be an expectation of a minimum term

The priest in charge would probably work about 20 hours per week

Next 90 Days: M Miller

Need to determine if we want to commit to the second Sunday for June and July (the bishop is coming the second Sunday of May)

Want to communicate to the parish that about the vestry led services

Want to have a worship meeting after the next vestry meeting

Assigning roles for next Sundays service

Difficult to find supply priests as many are already booked

A vestry not obligated after May 5th to pay for the priest on leave

The Dioceses of Southern Ohio say that a vestry *can* pay all or part if they choose

We need to make a decision on what to do next Tuesday

The finance committee will meet tomorrow and make a recommendation to the vestry

Communication

Close to the end of our budget with Sher for her contract work

How do we want to move forward to SubSplash

Closing Prayer: C Campbell

7:19 pm Adjourn: M Miller
