Finance Committee did not meet as they did not have a quorum

Minor typos have been corrected in the budget

Want to have our former communications employee S. Patrick to cross train the staff in
Subsplash - would be paid \$30 an hour as a contractor with a \$5000 cap for 90 days

Need to repair an additional window as it is leaking - \$1100 funds would come from the capital funds

Boiler runs on city water which causes a lot of buildup - we need to flush the system which would cost \$1600

We are still running a deficit - we need move more funds from the Bridge fund to cover the 2023 deficit
