

# *How I set my heart on Jesus*

*By: Yaro Glinkina*

*Hi my name is Yaro and I was born in Mykolaiv, Ukraine. And I was in Ukraine for 3 years then we moved to America, California. And we would go to church on Thursdays and Sundays. But I would go to church just to see my friends and play with them. But one night, I was listening and got interested in a story about Moses and when he takes Egypt (Exodus 1:12 - 15). And I started sometimes reading the Bible and taking notes from the Bible. And how I set my heart on Jesus was when we went to church I told Jesus how sorry I am for all the sins I have done. And no one is perfect, no one. And who is only perfect is God and Jesus. And I trust in LORD Christ our savior. And everyone is sinful, because we are not perfect. And if something happened to you, don't run to your parents, run to Jesus because he can help you with anything. And if you ask God for something, he sometimes says no. And if you also do something bad it is a sin, and if you don't even do anything bad it is still a sin. And also God knows everything because he is always watching over us, he protects us, and he can hear everything we say. And if you are not a Christian but you believe in God and Jesus, then you might be saved. And if Jesus did not go on the cross for us, we would end up at hell. But since Jesus died for us, we are saved and we can go to Heaven because Jesus died for our sins. And then on the third day, Jesus was not in his tomb because he was risen because he died for our sins. And how Jesus died for our sins was God told Jesus his son to the cross and he went and died for our sins. And if Jesus did not die for our sins, we would be on the cross and we would end up in hell. And some people say that God does not exist, but that is not true because if we did not have a God we would not exist. And if you feel alone, don't feel alone because God is with you and is protecting us from the devil. And whoever says that there are more other gods out there, that is not true because we only have one God and he created us so we could talk to each other and talk to God. And when you get to meet a new friend at school or anywhere, and if they are not a christian, tell them about Jesus, so they can be saved, and if they start believing in Jesus, they will be saved and they will go to Heaven. And why we read the Bible is to know more about our God.*

*The end.*
