

# Summer Preschool Camp 2026

## Information Sheet

This half-day summer camp is for children aged three through six years old who have not yet attended kindergarten. Children must be potty trained and at least three years old by the start of their session.

Parents may sign up for one or more sessions. Children may be enrolled for five days a week (M-F), three days a week (M/W/F) or two days a week (T/H).

The camp environment and activities are intentionally selected and prepared by experienced teachers to provide children with as much outdoor time as possible, and abundant opportunities to learn and practice cognitive, social, emotional, and physical skills through play and exploration.

Lead teachers have college degrees and several years of experience teaching preschool. All staff members are certified in first aid, CPR, management of communicable diseases, and recognizing signs of child abuse and neglect. They also have FBI, BCI and other background checks as required by the Ohio Dept. of Children and Youth and receive at least ten hours of child development training every year.

**Payment and fee information:** A \$25 non-refundable application fee (per child) must be submitted to complete your application process. If your child is accepted, full payment for all sessions must be received by May 8, 2026, to guarantee a spot for your child. Any exceptions to the payment due date must be approved in advance by the Children's Center director. Parents must also provide a packed lunch and water bottle for their children each day of camp.
