

NEW TO GC?

Stop by the Guest Connection Desk today after our worship assembly. We'd love to meet you!

WELCOME!

Good morning Grace Chapel Family!

This month we have worked through a progression making a number of important acknowledgements. First, we are all being shaped by something, or more accurately, many things are working to shape us. Next, we don't always know what is shaping us, or when we are being shaped. And finally, just because we call ourselves Christians, we shouldn't assume that God is the primary shaping influence in our lives.

Being shaped by God requires intentionality on our parts. We must be intentional in understanding the shaping influence that relationships, experiences, media, as well as other sources of influence have upon us. We must be intentional as we bring ourselves before God and ask Him to shape us. As we do, we will find there is nothing better. The Potter does know best what shape the clay should take.

Blessings,
Paul

PRAYER SPOTLIGHT

"To you, O LORD, I lift up my soul; in you I trust, O my God. Do not let me be put to shame, nor let my enemies triumph over me. No one whose hope is in you will be put to shame, but they will be put to shame who are treacherous without excuse." (Psalm 25:1-3, NIV)

Dear God, knowing that shame does not come to those who are true to their profession of faith, we ask not only for forgiveness but for revival of our commitment to faithfulness. Being true to you is far greater than the benefits of pretense. May your goodness bring change in the trajectory of our ambitions. In His name we pray. Amen.

WONDERFUL WORKSHOP: This month, our preschoolers are going to step into their own wonderful workshop as we discover some of the amazing things Jesus did.

Everything Jesus did—and the way He did them—

showed everyone around Him that He was God's son. We are going to have a lot of fun with our preschoolers as we tinker and create together. So, get your workshops ready! It's time for our preschoolers to discover how Jesus is amazing!

REMEMBER THIS: "Everyone who heard him was amazed" (Luke 2:47, NIV).

THINK TANK: God is the author of knowledge. Everything we know to be true about the world is because of God. And while we may never know all there is to know ABOUT God, there are lots of ways we

can get to KNOW God. We can know God best through Jesus, who showed us how much God loves us and showed why knowledge is so important. The more we know God, the better we can live God's way each day.

REMEMBER THIS: "The Lord gives wisdom. Knowledge and understanding come from his mouth" (Proverbs 2:6, NIV).
