

NEW TO GC?

Stop by the Guest Connection Desk today after our worship assembly. We'd love to meet you!

WELCOME!

We're so glad that you chose to join us today in our time of worship and praise! At Grace Chapel, we strive to be a community on mission together. Our hope for you today is that you have a personal encounter with the love of God and an experience with people who care.

OUR MISSION

To be disciples who make disciples who make disciples (2 Timothy 2:2).

FOR OUR GUESTS

New around here? We're so glad to see you today! Stop by our **Guest Connection Desk** in the lobby to pick up a gift from us. Questions or need assistance? Feel free to ask a member of our **Host Team** (anyone wearing an orange lanyard).

Got kids? During our worship service, preschool and elementary school children are invited to join our GC Kids large group environments,

Graceland and Oasis. Little ones under three years old are welcome in our fully-staffed **nursery**. Stick around after worship service for our adult Bible classes and kids small groups, beginning at 10:45 a.m.

We'd love to connect with you!

PRAYER REQUESTS

MEDICAL

Ray Turner: Scheduled for back surgery on 12/9. Trying to manage the severe pain until then. Pray for ease of pain now, and for successful surgery and recovery. Please pray for Gail as she looks after him.

Ava Beasley: Continue to pray for full healing for Jim and Marjorie’s young granddaughter, Ava, who is still experiencing pain after back surgery.

The Beasley Family: Jim and Marjorie are in Memphis attending funerals for family members (11/16). Beasleys, we love you dearly; may God be with you and comfort you and your family.

Greg Lisby: Has received some relief from his sciatica following an epidural, and expects to perhaps have a follow up epidural.

Nina Reeves: Greg Lisby’s sister is home after another week-long stay in the hospital. Nina has multiple health problems. Please continue to pray for her improvement and healing.

Sandra Barker: Cardiac ablation procedure for atrial fibrillation scheduled for December 5th.

Mark Sampley: Rick’s brother’s physical and mental health has improved markedly in the last few weeks. He is still in the hospital as a foot infection heals. As far as mental health, it feels like Rick has his old brother back! Rick continues to search for the best means of long term care his brother.

THANKSGIVING

Kim Doris: Reports that that she is 80–90% recovered from her intermittent chest and stomach muscle pain...on her way to 100%! She has been able to return to church, and went to work one day this week.

Debra Widdel: Recuperating well from surgery, appreciates the prayers and love shown to them.
