PRAYER REQUESTS

MEDICAL

Kathy and Ed Brooks: Both have finally recovered from COVID. Kathy has improved so much she may be able to be with us this Sunday!

John Wood: Responding positively to chemo treatment for pancreatic cancer. So thankful that his nausea was reduced in his latest chemo treatment!

Daughter **Ayden Wood** was diagnosed with flu B on Friday. Please pray for Ayden's speedy recovery, for Alicia to stay healthy as she cares for them, and for John to not get sick. They send their love to all their brothers and sisters in Christ.

Bobby McVey: Scans show that we are winning the battle against lung cancer! Starting additional treatments for bone metastasis this month. Please pray that this treatment is effective, and for full health recovery.

TAKING THE MOST IMPORTANT STEP: BECOMING A CHRISTIAN

We pray for all those considering becoming Christians. If you're on the cusp, don't delay—study, pray, and ask the Holy Spirit for guidance. This is the most important step you'll ever take. We pray you'll repent, be baptized, and profess Jesus as your Savior and Lord.

You may think you need to fix things in your life and be "better" before being baptized, but it's the opposite. Making this commitment is the launching pad to a new life filled with love, forgiveness, confidence, and peace. The blood of Christ continually cleanses us, and God's love drives out fear.

There's no greater decision than following Jesus. Let His life guide you. Claim eternal life with God and join your brothers and sisters in Christ. Count the cost, surrender to God's will, and take that first step in your own time.
