PRAYER REQUESTS

MEDICAL

Anna Watson: Continues to deal with long COVID symptoms, including brain fog and general weakness. This week, Anna saw a doctor for digestive issues. Pray for Anna's health, and for her husband, Neldon, as her caregiver.

Susan Boling: Has had a number of nagging health issues, including respiratory. Pray for recovery and strength. Separately, Susan's mom is not a Christian and is in failing health. Susan asks for prayers that her mom will come to know Jesus before her passing.

John Wood: Please continue to pray for John as he undergoes chemo treatments for pancreatic cancer. Our prayer is that he can regain strength and keep the nausea at bay. We pray for complete healing!

Bobby McVey: Treatments for lung cancer and bone metastasis are going well, and Bobby is feeling better. Please pray that these treatments are effective, and for full health recovery.

Ava Beasley (From Jim and Marjorie Beasley): Thank you for your prayers and gifts to our granddaughter, Ava, as she continues to recover from her back surgery. She is healing and experiencing less pain. We love all of you very much!

IN MEMORIAM

Kathy Waller: JoAnn Warlick's 47-year-old niece, Kathy, passed away this past Wednesday in Cooper City, FL, after a long illness. She leaves behind her husband, daughter, parents and two sisters. Thank you for all of your prayers. No arrangements have been made yet.

From Jim & Marjorie Beasley: Thank you to everyone who has prayed for our family in the death of our niece, Ebony, from breast cancer. Continued prayers of comfort for them, especially Ebony's three children, are still needed.
