## MEDICAL

**Anna Watson:** Continues to deal with long COVID symptoms, including brain fog and general weakness. Pray for Anna's health, and for her husband, Neldon, as her caregiver.

**John Wood:** Please continue to pray for John as he undergoes chemo treatments for pancreatic cancer. Our prayer is that he can regain strength and keep the nausea at bay. We pray for complete healing!

**Bobby McVey:** Treatments for lung cancer and bone metastasis are going well, and Bobby is feeling better. Please pray that these treatments are effective, and for full health recovery.

**Ava Beasley (From Jim and Marjorie Beasley):** Thank you for your prayers and gifts to our granddaughter, Ava, as she continues to recover from her back surgery. She is healing and experiencing less pain. We love all of you very much!

## OTHER REQUESTS

**Susan Boling:** Susan's mom is not a Christian and is in failing health. Susan asks for prayers that her mom will come to know and commit to Jesus as her Lord and Savior before her passing.

**Brandy Hicks:** Brandy and family are struggling, as Brandy has been unable to find a job since moving here over a year ago. Please pray for their family, and that Brandy can find a great job. They are frequent visitors at GC.

**Bert & Joyce Blackwell:** Bert was hospitalized in late January, and is now at home under hospice care. Please pray for comfort for Bert and family.

If you would like to help with meals for the family (three adults, one child), there are still several dates available. Please see the Meal Train sign up at [mealtrain.com/trains/yrzl3k](http://mealtrain.com/trains/yrzl3k).
