# PRAYER REQUESTS

## MEDICAL

**Betty Doris:** Has a cold virus that won't go away. Also, a recent water leak caused flooding and damage on all three floors of her home. Please pray for healing and strength for Betty, and patience with the repairs.

**Bert & Joyce Blackwell:** Bert was hospitalized in late January and is now at home under hospice care. Please pray for comfort for Bert, and strength and energy for Joyce.

**Bobby McVey:** As Bobby continues his cancer treatments we pray for strength, healing and peace both for him and Carrie and the family.

**John Wood:** Awaiting findings from a 3/20 PET scan to determine whether pancreatic cancer treatments are working. Results expected by 3/26. Please pray for miracle results, and that God will bless and continue to be glorified through the lives of this special family.

**David Wheeler:** MRI scheduled 4/4 to evaluate his kidney cancer; he is also dealing with prostate and skin cancer. Please pray for

strength and peace. Thankful that Carolyn has recovered from a painful adverse drug reaction.

**Laura Johnson:** We pray for Russ Johnson's sister and her ongoing battle with bladder cancer. Doctors want her to undergo another round of treatments. We pray for full health for Laura, and for wise treatment decisions.

**Loretta Allen:** Tommy Bradford's sister, diagnosed with a cardiac tumor. Please pray for her and husband Sid. Her doctors are monitoring for now. May the tumor be benign, causing no obstructions or concerns.

**Mark Sampley:** Rick's brother has entered rehab following a hospital stay to determine the reason for two recent fainting spells. Doing well. Please pray for the right diagnosis from his doctors and return to health.

## THANKSGIVING

**Sherry McMillan:** A recent, precautionary MRI, following an earlier mammogram, came back all clear with no signs of cancer. Thanks be to God!
