PRAYER REQUESTS

MEDICAL

Deana Green: Scheduled to donate a kidney on June 16th. The recipient is Kevin James. He and his wife were members of Grace Chapel prior to moving back to Tennessee. The transplant will be performed at Vanderbilt Medical Center. Please pray for a successful surgery and that Kevin's body will accept her kidney.

George Davis: Father of Tim Davis, currently in rehab recovering from a broken hip. Please pray for a good rehab and full recovery with minimal pain during this process.

Ava Beasley: Jim and Marjorie Beasley's 13-year-old granddaughter, Ava, will have scoliosis surgery on June 20th to correct complications from a previous procedure. Please pray for a successful outcome with her new surgical team at Children's Healthcare of Atlanta, and for complete healing, strength, and peace for Ava and her family during this time.

John Wood: Has had twelve rounds of chemo over several months for pancreatic cancer. This past week his oncologist reviewed the findings of a new PET scan. Alicia writes, "There are no new lesions. (The cancer has not spread!) The lesions in the liver are almost non-detectable and have **significantly** reduced activity levels! His pancreas still has an active mass. Therefore, he will continue with chemotherapy at a decreased intensity for the next six rounds. Dr. Kahn stated that John is headed for remission and stated frankly that she was not hopeful she would be able to say that to us when we met last November." Please pray for this sweet family, for strength, for full remission of the cancer, and complete healing.

Don Trimble: Is being treated for severe lower back pain after years of dealing with the issue. The treatments (periodic shots) appear to be helping some. Please pray for Don's full healing as he continues treatments. Pray also for wife Brenda as his caregiver.

Bert & Joyce Blackwell: Bert is at home under Joyce's care as his health continues to slowly decline. Please pray for comfort for Bert, and strength, comfort, and energy for Joyce. Sign up to take a meal or contribute to their meal fund at mealtrain.com/yrz13k.

David Wheeler: Results from a recent MRI show that cancer in the right kidney is growing slowly, but there is a new, aggressive type of cancer in his left kidney, which fortunately has not metastasized. Follow up scheduled for June; David is not a candidate for kidney or prostate surgery. Please pray for strength, comfort, and peace for David and wife Carolyn.

Esther and Russ Johnson: Esther recently changed doctors as part of her dealing with Parkinson's disease. Please pray that the change will lead to much better daily health, strength, and control over any anxiety. Please pray for Russ as her caregiver.

Laura Johnson: We pray for Russ Johnson's sister and her ongoing battle with bladder cancer (over nine years). The doctors are still working to optimize her medications. Please pray for strength, reduced nausea, and that the treatments will rid her body of cancer.

PRESCHOOL: This month, we are going to discover how to live it out and love like Jesus. No matter how young or old you are, we all need Jesus to show us how to love others. Together, let's point preschoolers to the One who came to show them how to do the most important thing: loving others the way Jesus loves them.

KEY QUESTION: Who shows you how to love others?

BOTTOM LINE: Jesus shows me how to love others.

MEMORY VERSE: "Think and act as Jesus did." (Philippians 2:5 NIRV)

ELEMENTARY: Living and loving like Jesus sounds great in theory, but may be a little hard in practice. With the help of God's Spirit, we don't have to do it alone. When we follow Jesus, God's Spirit transforms us, shaping us into who God has called us to be and how God is calling us to live.

LIVE IT OUT: With Jesus we can help change the world.

MEMORY VERSE: "Our God is a God who strengthens and encourages you. May he give you the same attitude toward one another that Christ Jesus had." (Romans 15:5 NIRV)
