

To My Beloved True Worship Family,

During our Church-Wide Annual, I shared the Vision for 2022 and beyond. God has blessed our church and through your giving and sacrifice, we remain strong. The opportunity to serve as your pastor over the past six years has been an honor and a blessing. True Worship is a testament to what God can do when we are on one accord and join Him where He is already working.

As we approach our seventh year of ministry, we have a unique opportunity to extend the legacy of our church for future generations. As my mother would often say, “none of us came here to stay,” but it is what we do with the time that God has granted us that makes the difference. With your help, I am launching an endowed initiative called Faith Forward to secure a legacy for our church.

I am asking all members and friends of our church to make an annual pledge above your tithe and offering amounts. This pledge is not meant to substitute your regular giving. I hope that we will raise \$10,000 annually and with your prayers, I believe we can exceed this goal.

Faith Forward will be used initially to save towards our future church building/location, create a Legacy Scholarship for high school seniors who are members of our church, and provide tuition assistance for students with financial needs attending one of North Carolina’s Historically Black Colleges participating in the N.C Promise Tuition Plan.

I ask that you pray about your pledge amount and how God can use you at this moment to make a difference in the lives of many. Thank you in advance for your pledge and continued commitment to our ministry.

Blessings!

Pastor JAA
