- Fasting is NOT to get things from God, but to GET NEAR God.
- Fasting is not always easy, but once you get started it can be refreshing. All you need to get started is a desire to strengthen your relationship with God.
- The first step to any fast is admitting your need for God. Giving up food is an outward action for an inward commitment. Fasting for God requires sacrifice and discipline.
- Fasting also helps remove obstacles that so easily get in the way of fully focusing on Him.
- Removing the food or WHATEVER you choose to give up within the specified time frame will help free your mind, so you can meditate on God.
- In order to be effective, you must also pray during that time. Praying to God and fasting is a powerful weapon against adversity.
- A fast for God doesn't have to be all day. It can be for one meal or not smoking that cigarette, giving up that favorite candy bar etc. Basically, you will be sacrificing something that is important to you.
- Some results of fasting are the tearing down strongholds in your life and the lives of your loved ones. It also causes divine power to loose the chains of bondage and set the captive free.

## Guiding Prayers

Day1-Monday Repentance	Day 2-Tuesday Consecration	Day 3-Wednesday Thanksgiving	Day 4-Thursday Supplication	Day 5-Friday Submission	Day 6-Saturday Worship	Day 7-Sunday Integration/Culmination
Heavenly Father, I confess my sins and the sins of Your people—pride, unbelief, division. Forgive us and cleanse us. Lord, lead those in my life and community who do not know You to repentance and <b>salvation</b> ; draw them to Christ. - Help us repent of complacency in our families and church, so we may pursue holiness and better relationships. Grant repentance that leads to healing for the city of Manor—turn hearts toward faith.	Lord, I consecrate my life to You—my time, talents, and resources. Make me holy as You are holy. Guide those needing <b>discipleship</b> into deeper commitment; help them grow in faith and obedience. Show me and our church <b>how/where to serve</b> to meet needs in Manor and beyond. - Consecrate our <b>families</b> to You—strengthen marriages, parent-child bonds, and households as places of faith	Father, I praise You for Your unending love, salvation through Christ, and every blessing in my life. Thank You for those already saved and disciples—praise You for Your work in <b>families</b> and our church. - I give thanks in advance for polished ministries, clearer service opportunities, and Manor's transformation into a <b>city of faith</b> . Lord, fill our hearts with gratitude that overflows into joyful service and witness	Lord, I supplicate for <b>salvation</b> —bring the lost in our families, church, and Manor to know Jesus. Cause new believers to engage in <b>discipleship</b> ; provide mentors, teaching, and growth opportunities. Reveal <b>how/where to serve</b> —equip us to meet practical, spiritual, and community needs. We intercede for better <b>families</b> —unity, love, healing—and for church ministries to be refined and effective.	Lord, I submit my plans, desires, and future to You—Your will be done in my life. - Help those resisting You to submit and find <b>salvation</b> ; lead new believers into full submission through <b>discipleship</b> . - Teach us to submit in service—show us <b>where You call us</b> to meet needs in humility. We submit ourselves, our <b>families</b> and church to Your lordship—align our ways for stronger homes and ministries. - We submit Manor's future to You—make it a city of Faith that bows to Your truth.	Worthy are You, O Lord—I worship You for who You are: holy, mighty, loving Creator and Redeemer. I lift up those needing <b>salvation</b> —may they encounter You and bow in surrender. We worship You for <b>discipleship</b> growth; draw us closer through Your Word and Spirit. As we worship, direct our service and refine our church methods to honor You. We worship You over the growth of Manor—let it rise in true worship and <b>faith</b> to You	Lord, thank You for this week of seeking You—in repentance, consecration, praise, supplication, submission, and worship. Bring <b>salvation</b> and <b>discipleship</b> to the unsaved and growing believers around us. Clarify <b>service opportunities</b> to meet needs; polish our church ministries and methods for greater impact. - Strengthen and beautify <b>families</b> as reflections of Your love. - Transform Manor into a <b>city of faith</b> —revive hearts, homes, and communities for Your glory. Show us our next move individually, as families and a church family
