

Please Pray for ITALY and for the Serino's

January 2023

Dear Pastor and Praying friends,

Greetings! "Oh that men would praise The Lord for his goodness, and for his wonderful works to the children of men!" Psalm 107:31 I surely desire to express our praise and His goodness each time I sit down to compose anything. It is the first thing to be done. Amen!

I wish to start this letter by thanking all of you our supporters that remembered to send support in early for us so that it could be deposited on time in December. It really helped contributing to our needs in December, and January, and helped us start to prepare as well for the long cold winter months ahead.

We are now in a new year, 2023! This March it will be 4 years now as an established Church. Yes, things have been slow, but we are seeing God move in our midst as never before.

In November a man Vincenzo called us looking for an Old Diodati version of The Bible. He said that he was a King James only Bible believer who learned the truth by watching KJV only preachers online. He was looking for the Italian Bible that we exclusively use and a Church that Evangelizes. Apparently, the other "evangelical" Churches Assembly of God, Brethren, etc. in this part of Rome do not go out in the streets or markets do not do much if any 'evangelizing'. He has been faithful now over the past months and is a blessing. Pray for his growth and development in Christ. We have always prayed for a faithful Italian man who would desire to be discipled.

God has also given to us our neighbor Nathalia, a young Brazilian lady that has only been in Italy for a few months. She also is saved already and has a wonderful testimony. Her sweet spirit and humility after what Christ had done for her has been an encouragement to us.

Sheila now has a sister in Christ living just across the hall. She has been asking prayer for the salvation of her 5 brothers, two of which are with us in our village. Please pray for Filipe and Pedro. Moreno, a man that has brought us our frozen food for the past few years one day in October asked to speak with me, He had always refused tracts and objected to me giving him the gospel, all the invites to services were rejected, he just did not want to hear about Christ.

He told me that day, and I could see he was troubled that he was searching for something, but he did not know what. He told me that he wanted to come to me and not to the priest. I put a Bible in his hand and told him the answer was inside God's Word whatever he was looking for. I started him reading John and Romans. Please pray for Moreno.

We are encouraged looking back on 2022. God has been so good! Thank you all for your faithfulness in giving and more so in your praying.

Because He lives!
