Dear Pastor and Church,

Happy New Year to all. I trust you all had a GREAT !!! Christmas as well !!

God has been so good to us here in the Yukon this past year. 2022 was full of GREAT things. We have had people from all around the world come and attend services here in the Yukon. (A family from Zimbabwe, young men from British Columbia, a girl from Ontario, a couple from Dominican Republic, a Buddhist monk from Japan just to name a few.) Not all of them are still with us but we were able to give ALL of them the Gospel.

Satan has really “kicked” us hard lately. The last few weeks have been a little difficult as we have lost some of our visiting folks to “other” churches. Dave, the lawyer and his wife have decided our church is not quite to their liking as we teach some things he disagrees with. I take a strong stand on KJV ONLY and he prefers the ESV. I also believe that men and animals are different. Men were given the breath of life at creation while animals were not, thus men have an eternal soul while animals have no soul and when they die, they die. There were a few other things but ultimately they decided to “move on.” Also, Kate, the single lady who was working tourism was let go from her job and had to return to Ontario. A new couple from Dominican Republic also departed for a “more modern” church that has a praise team and “holy spirit” (notice I did not capitalize, different spirit than The Holy Spirit that I know) BUT as Paul said “We are troubled on every side, yet not distressed; we are perplexed, but not in despair; Persecuted, but not forsaken; cast down, but not destroyed;” 2Co 4:8-9

On a GOOD note, The family from Zimbabwe is BACK !!! Faith, who made a profession of salvation last year and her children have been coming fairly regularly but the most amazing thing is her husband, Derek, is the driving force that is making her come. AND HE IS COMING WITH THEM !!!! HALLUJAH !!! Also, Gord and Erinlee with their three kids have been VERY faithful to services. I am praying for a wedding soon so they can get baptized. Kathleen is growing by leaps and bounds. She just started singing specials with one of our ladies groups. So while satan seems to be attacking GOD is BLESSING !!! I’ll take the trade !!! Amen!!!

Please keep us in prayer as we are getting older (**NOTE NOT OLD YET!!**) and are looking for someone to come and help with the work that may be able to take over when I am too old to keep going. (**NOTE: NOT THERE YET !!**) Thank you again for your faithful prayers and support. All that is done in the Yukon is fruit to your account.

Your servant for Christ
