## Clyde's Update

We took a week off the newsletter last week with the 4<sup>th</sup> on that week. We do that only a couple of times a year. Summer continues to move right along, and of course now we hit the 4<sup>th</sup> and we all start realizing how quickly this all goes. I know there are lots of fun activities going on out there during this season. It is time for families to do something new and something exciting. I like that. It is also a time for summer activities as well. That can get to be a pretty full plate. Make sure you all leave time to enjoy and not just go! There is a difference, and that difference can be a difficult balance to find. I also realize that it is often not something you have much control over. I don't like that. I did get back to see my mom again this week for the 4<sup>th</sup>. My sister always has a big gathering for the family over the fourth. We had a good time back home and then drove back in the rain. I enjoyed that.

We all feel a deep sense of sadness for all the pain in Texas. It just hits us in a tender place. When it is kids involved, that really gets our attention. Say an extra prayer for all of that. Sorrow is not how that should be, but we do see it. That's what the world can do. Things we can't control.

Still no word on the cement work or parking lot. We are on the schedule, and we know July is the target month. I only say this to you so that you know it is on my mind, and I'll let you know just as soon as I can. Once again, they are going to work around our schedules here so it will all be just fine. It is kind of exciting to think how nice that is going to work. Also, the guys working on the leak of the skylight in the lobby have made some significant discoveries in that area. That's some really good news. We have good people working on all of those projects.

VBS is just around the corner! This week we are going to be spending a little more time reaching out to folks to help us out on those four evenings. We are expecting a great turnout again this year. People are busy and I know that most of you are surprised that we are at this point in the summer, but here it is. Heather has it all organized, and now we just need all the people to get plugged in. Registrations can be done online if you wish. Lots of places to sign up to help as well. It is a full week, but so worth the time. It is seed planting that we do in those days. We need seed planters to join us!

Sunday's message is going to be a word on why we can trust God. There is a little more to it than just that word, but that will be part of the focus. We often struggle at times about decisions or direction. We analyze and talk it over, but sometimes it just comes down to trusting that God will be there through all the days. Remember, the journey is just as important as the destination. Our everyday walks in life are the hours we spend with life. There will be high points and there will be low points. Who did you go through those with? Did you have a great assurance that God was there? Was there a joy, a rest, a comfort, a presence that was evident? How does one develop that kind of faith walk? It does not happen overnight. This is a journey of time and disciplines we do to gain strength in this walk. So much more to say. We'll talk more on Sunday. Have a great week!

## HEATHER'S UPDATE KID'S MINISTRY

Hi Everyone!

VBS is just a couple of weeks away and we still need some essential volunteer roles!

VBS is July 21-24 in the evenings. There is a list of volunteer opportunities at the VBS table in the lobby as well as a list online at <https://communityrc.org/vbs> .

- Preschool/Kindergarten Games Leader: chalk, bubbles, parachute, and other fun activities
- Elementary Crew Leaders and Helpers help kids go between stations and get to know the kids each night. We still need Leaders for Grade 1, 3, and 5/6. We have helpers already signed up for 1st, 3rd, 4<sup>th</sup> grade since they are bigger classes.
- If none of those needs fit your idea of fun, we always need more hands with the preschool and kindergarten groups too!
- We also really need many more people willing to stay for about an hour after the last night of VBS to help put away the decorations. This could be families with kids, youth, or anyone. It isn't all heavy lifting. We do need a few people to take down some backdrop stands and big decorations, but more than that, it involves folding backdrops, stacking cardboard, deflating toys, and tucking items away for future use.
- As you can see, we still need quite a few helpers, so please grab a friend or two and sign up to volunteer.
- Also, sign-up kids and invite friends! VBS is free and a very fun way to make memories.
- You can sign up online or using the paper forms in the lobby at church. It is easy to find because there are animals all around the table!
- Please pray about how you want to connect with VBS this year, as well as for the kids and families who will be joining us.
- Together We'll Learn:
  - Monday's Big Idea: We are created by God.
  - Tuesday's Big Idea: We are created for a purpose.
  - Wednesday's Big Idea: We are created for community.
  - Thursday's Big Idea: We are created to worship.

See you soon!

## LIZ'S UPDATE

# ADULT DISCIPLESHIP & WORSHIP

We are only 2 weeks away from VBS! Friends, please sign those kids up for VBS so Heather can plan accordingly. And I know she still needs some helpers for the week too. You can sign up at the table in the lobby or online at our website. The dates for VBS are July 21-24, and we run from 6:00-7:45pm. We offer VBS for 3-year-olds through kids going into the 6<sup>th</sup> grade. We even have sing-n-sprout for the under 3 age group! It's one of the best things we do at Community. We'd love to break our VBS record this year. Please sign up!

Last week, I sent out emails to everyone who sang in our Christmas choir last year, and I have already heard back from over 20 people! If you'd like to be added to that list, please let me know! You can either catch me on a Sunday morning or email me at [Liz.Teel@communityrc.org](mailto:Liz.Teel@communityrc.org), and I'll add you to my list. All of our new music is ordered, and my goodness it is great stuff! We will also have a couple of guest musicians join us again this year. I would LOVE to get a group of 80 singers for these concerts, so if choir is something you've thought about in the past, I encourage you to sing with us this year. We have free childcare during rehearsals, and choir is open to everyone 6<sup>th</sup> Grade through adults. If you have any questions at all, please let me know! The pertinent dates for our Christmas choir rehearsals and concerts are as follows:

#### **Sunday Afternoon Rehearsals 4:30-6:00pm**

- October 12, 19, 26
- November 2, 9, 16, 23, 30
- December 7

#### **Saturday Afternoon "Dress" Rehearsal 4:00-5:00pm**

- December 13

#### **Concerts**

- Sunday December 14 at 9 and 10:45 Services

And lastly...please sign up for VBS!!! 😊 It's going to be an amazing week!!

Have a great week!

Liz
