## Clyde's Update

It is the end of November. Sunday will mark the beginning of December and advent. Christmas time is coming! It is my favorite season of the year in church. The decorating of the trees is going to happen. Kids will be doing their program; the choir will sing. There are carols to sing and all the lights...so many lights. We make a big deal of the coming of the Christ child and we need to do that. I don't mind the overdoing. At least it's some kind of "doing". There are so many things these days where those stories get minimized and sometimes hidden away so well that we hardly notice. I know, it is easy to get distracted by all the extra and one might even argue that all the tinsel takes away from what the season should be about. That's a fair opinion, but for me...let the season ring a little louder than usual. As a church we can remind people what this is all about. God will send the gift of grace in the package of a tiny innocent child, who will one day chose to lay down his life for the sins of the world. His love displayed on a cross like no other could do. I don't mind a little extra noise and glitter for such a message as that. Make a joyful noise! Jesus has arrived!

Our choir is working so hard. It is not easy this year and they are such great workers for us. We have only a couple of rehearsals left, and we have much to get done, but we always make it. I hope you recognize when this all happens, the extra they have put in. I believe it will be a very nice program and one that we all pray will exhibit the joy of the season, as well as, the message behind it all. What was God up to? Why do it like this? We want to bring that message to you in song. We have some extra surprises being worked on as well. I hope everyone can keep their singing voices in good order. Thank you choir for what you are all doing. It matters so much more than you may fully understand. God will use this like he uses so many things.

I mentioned the fundraiser that we are going to be announcing in last week's newsletter. We are still putting the finishing touches on just how we want to roll that out. As I have stated before, the building and grounds are 15+ years old now and we can see some things that need our attention. We are still looking into some possible fix options for some of those at this point, so we don't have perfect figures to work with, but that is being worked on as we speak here. We know the overlay of the parking lot is first on the list. We have a good number to work with on that. We'll stay in touch.

Heather's Christmas program is moving along as well. I have seen some of the video things she has been working on with the kids. It is very clever and very entertaining, and the message is clear. These programs are not easy to put together in a relatively short time and with so many of our kids involved in so many other activities in school and around the community as well. That program is coming up in a couple of weeks. The time is drawing near. Go God Go!

Sunday is the first Sunday of advent and the series continues now into this third section. We have done Jacob; we have done Paul and now it is the coming of Jesus. God's amazing plan is about to be unveiled to a world that will barely notice anything changed. Why would God even bother? Why make this much effort? What is He up to? We'll talk more on Sunday. Have a great week!

# ADULT DISCIPLESHIP & WORSHIP

Happy Thanksgiving, everyone! I hope you're all able to spend time with friends and family this week and take time to thank God for His abundant gifts to us. This time of year, I always think of James 1:17, "Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows." EVERY good and perfect gift comes from God, who is never changing! I love that because it reminds me that even the simplest good things are from the Father's hand. I invite you to look for the little things this week and give thanks for them!

We have several holiday events coming up in the next weeks.

The women's WD40 group will be having our annual Christmas gathering on December 2 at 7:00pm. This is open to women of all ages. If you'd like to join us, here are the details for the event:

- If you want, you are welcome to bring a plate of goodies to share that evening.
- We will also be doing a small gift exchange. We are asking that the gifts be "consumable," meaning they can be used up. Bring the gift wrapped for the exchange and be as creative as you want with what you give! Consumables include things like toilet paper, soap, lotion, dinner napkins, hairspray, apples, candy, etc. Just anything that can be used up!
- We are also collecting donations for the St. Francis House. Some of the things they are desperately in need of are shampoo, conditioner, toothpaste (but not toothbrushes), men's and women's deodorant, Tampax (but not pads), and hairbrushes.
- We'll be doing a fun game for the gift exchange, and I'll have a short devotional as well. Join us!

The choir concerts are scheduled for December 15 at the 9:00 and 10:45 services. As I have said in the past, this is a great Sunday to invite a friend to church. We'll be singing lots of Christmas carols, and it's a truly festive day of celebration. I hope you can join us!

We just solidified the Christmas Eve service times too. This year, we'll be doing our Christmas Eve Communion services at 2:00 and 4:00pm, with nursery care available at the 2:00 service. We do need just a few volunteers for that 2:00 service in the nursery. If you're willing to help out (no diaper changes either! 😊), please let me know!

And lastly, I do want to mention that we only have 2 Mid-Week gatherings during the month of December. We meet December 4 and 11, but we take off December 18, 25, and January 1 for the holidays. Please plan accordingly.😊

# HEATHER'S UPDATE KID'S MINISTRY

Hi Everyone!

Reminder: We don't have Sunday School on December 1. We take that Sunday off to allow volunteers to have the weekend off to travel for Thanksgiving if they so desire. On November 27 we won't have Midweek classes for kids because we have the Thanksgiving Eve service.

The kids Christmas Program is just a few weeks away. Parents, please help your kids practice their songs and group speaking parts. All of the practice parts and songs are at: <https://communityrc.org/christmas>  
The program is on December 8 at 3:30pm.  
K-5 kids should arrive at 2:30pm in the Sanctuary.  
Preschool kids should come at 3pm in the Kids Wing.

We've had some great time together in Sunday School and Midweek recently. The third-grade class (picture below) learned about Daniel and how Daniel and his friends experienced some very unexpected things in their lives. They were even called by different names. The kids used a map and some yarn to understand more about the real-life events that happened. For kids, it is important to have frequent reminders that what we read in the Bible is more than just stories. It is true and real. Using all 5 of our senses helps with that so we try to incorporate lessons that give chances to touch, smell, see, feel, and/or taste parts of the story.

See you soon!

**COMMUNITY KIDS NOW HIRING!**

**JOIN OUR TEAM**  
**WEDNESDAY EVENINGS**  
**TO HELP WITH THE K-5 KIDS**  
**WORK 5:45PM-7:45PM**

Our current staffing team is doing great and everyone is learning and having fun, but with more kids this year, we need more help.

Community hires paid staff for this position to allow parents to attend classes, rather than volunteering in the Kids Wing. It is good for kids to see their parents committed to learning and growing in their relationship with Jesus!

**Make a difference and make some cash.  
Teach fun, engaging, hands on Bible lessons to K-5 kids at church.**
