# Abundant Harvest in 2026!

Judy Graham  
President,  
Celebration Women's  
Ministry, Inc.

For the last two months, I have been praying for a word of encouragement from the Lord. One morning this thought came from the Holy Spirit..."AN ABUNDANT HARVEST IN 2026?" This ministry was officially birthed in 1999 with a theme Scripture of Luke 4:18-19. From this scripture we knew that the Spirit of the Lord was upon Celebration Women's Ministry with a three-part focus of Salvation, Healing and Equipping of women "for such a time as this".

Through the last 27 years we have seen Jesus do many miracles in women's lives. He is still in the business of bringing women to a personal relationship with Him, healing their spirits and souls from woundedness, healing their physical bodies, and freeing their minds from the deception of the enemy. Lastly, they are being equipped with His Spirit and the Word of God so they can be all God created them to be. This has been a good harvest for the Kingdom.

Now, because we have planted seeds through the years, we have watered the seeds with prayers, and it is now time to see a greater harvest planned by Jesus for the ministry.

The same thing is true in your life, too. Just as you have followed the leading of the Holy Spirit through the years, this scripture for Paul in 1 Corinthians 3:6-8 NIV applies to all of us. In the Church at Corinth, there was quarreling among the members about which leader to follow. Paul responded to them with the following admonition:

"I planted the seed, Apollos watered it, but God has been making it grow. So neither the one who plants nor the one who waters is anything, but only God, who makes things grow. The one who plants and the one who waters have one purpose, and they will each be rewarded according to their own labor."

Jesus earlier had said, 'This is what the kingdom of God is like. A man scatters seed on the ground. Night and day, whether he sleeps or gets up, the seed sprouts and grows, though he does not know how.' – Mark 4:26-27.

You have been planting seeds in lives of family, friends and others for years, perhaps watering the seeds others have planted, but God is the one who will make things grow in every situation. It is not the church or the church leaders who make things grow, but only God. We are all of Christ, and Christ is of God. Nothing is impossible with Him. Get ready, our harvest is coming!

With love and anticipation,

*Judy*

This year's theme emerged from a June prayer call, clearly revealing the Lord's direction through prayer.

## Testimonies from 2025 National Conference

"Speaking at the Celebration Women's Ministry National Conference was an unforgettable honor, and I was deeply moved by how powerfully the theme Receive came to life throughout our time together. From the very beginning, there was a sense of expectancy in the room—women arriving with hearts open to what the Lord might pour into them. I was touched by so many conversations, by the stories shared with raw vulnerability, and by the beautiful moments of connection with women who said they were finally ready to release the weight they'd been carrying and let God take the lead. It was humbling to witness the Spirit at work, gently restoring hope, offering healing, and knitting hearts together in sacred community. I left with my own heart full, reminded once again that when we come ready to receive, God is always ready to meet us there." - Dianne Burnett

The music was absolutely awesome! What a blessing we've received thru their music. - Dolores

Thank you for the gift of this conference. - Susan
