Shine Your Light

We're all familiar with lightning bugs, or fireflies, whose little bodies produce a chemical reaction which causes a small light to emit from its abdomen. Now, Korean scientists have developed a cat that glows in the dark. (I'll bet it started glowing after too many cat-scans). Deep in the sea there are creatures that were created by God to emit light from their bodies. There is even a fish called the "flashlight fish" which has a luminescent organ just below its eyes. It can turn its light on and off at will, presumably to attract and blind its food.

Humans have made many other things that glow in the dark: watches, pajamas, various toys, and now diapers. Unlike the sea creatures and the fireflies, these man-made novelties require exposure to a light source before they can actually glow in the dark. The stronger the light is, the closer the object is to the light, and the longer it is exposed to the light, the brighter the object will glow.

God wants **us** to glow in the dark. The world is often a dark place. It's not hard to see. Most news media sources give nothing but bad news. Another shooting on campus. Federal scandals. Dirty politics. Economic struggles. Add to that all the crime, abuses, and living in a sex-crazed culture. Anyone can see the world is dark and evil.

"This is the verdict: Light has come into the world, but people loved darkness instead of light because their deeds were evil. Everyone who does evil hates the light, and will not come into the light for fear that their deeds will be exposed." John 3:19-20.

When we were without Jesus, we were actually part of the darkness. But we're not part of it anymore. "For you were once darkness, but now you are light in the Lord. Walk as children of light." Ephesians 5:8.

We were called to shine in the darkness. The moon has no light of its own, it only reflects light from the sun. In the same way, we get our light from the SON. Jesus shines in us and then through us. He will not hide us from the world. Jesus said, "YOU are the light of the world." Now go shine!

Our **LifeGroups** will be taking a break for the summer. But there is still a great opportunity to learn the Bible, meet new friends, and serve our church through our Adult Sunday School Classes.

We have five classes for adults that meet every Sunday morning at 9:30. Our classes are taught by smart, committed teachers and are led by a dedicated team of leaders who plan class parties and service projects.

Join one of our classes during the summer! Visit several classes and pick the one where you feel most comfortable.

Thank you to the Discipleship Team

As this semester draws to a close, I want to say thank you to all of our Sunday School Teachers, LifeGroup Leaders, Bible study leaders, Ministry Team Leaders, and Guest Relations Team Members. Thank you for investing your lives into hundreds of people each week. God bless you all!

Happy May everyone! I hope everyone had a fantastic Easter, celebrating the resurrection of our Lord and Savior! I thank God every day for the victory we have over death and the promise we have of eternal life.

We recently had our fourth annual Daddy Daughter Dance and it was a huge success! We had the most people we have ever had come and spend time together dancing, laughing, and growing closer together as dads and daughters. Thank you so much to everyone who helped with this event! And thank you for being a church that is willing to show our community that we care for them and love them—ultimately, showing them who Jesus is. Every year we have new families that make their way into our church family.

GLOBAL IMPACT

What a privilege it is to support our dear friends working in Asia! Scott grew up in this church, and we are so proud of the lifetime of ministry and service he and his family have dedicated to God and His people in Asia. In their recent newsletter they report on the continued success of small group discipleship within their context. Believers are able to share and to grow their leadership skills at the same time. They also report that believers are being baptized and that one public baptism led unexpectedly to two more!

Thank you to those of you who prayed for our brothers and sisters over the Lunar New Year celebration. Please continue to pray for this vital ministry.

Prayer requests/praises:

- Please pray for protection for local believers. A believer was called in for questioning recently.
- Their youngest daughter recently started college in Australia. Please pray for her and for the rest of the family as they adjust to her absence.
- Open doors with a nearby unreached people group.
- Praise God for new believers, discipleship training, and the gospel being shared.

Barb Messner, Global Impact Team Member

Please bring items to the church by Sunday, June 8.

LOCAL IMPACT

His Hands Outreach

Our core group of kids at Hope Grows Bible School for Children continues to learn and grow. Since September, these kids have memorized 18 scripture verses and still remember them. They may not be able to say them word perfectly, but they know where they are found in the Bible and they understand their meaning. These same kids are preparing lessons and teaching them. They enjoy our Wednesday worship time and enjoy picking songs. They struggle sometimes, but we are trying to teach them to live by what they know that God says rather than by how they feel.

We have another group of kids who come in and out. They listen to the lessons, but they don't engage. We pray that they will turn their hearts to Jesus.

We are looking forward to summer activities such as water activities, VBS, Cooking Camp, and an overnight trip to Lake Litchfield. The highlight of the summer for most of our kids is Little Galilee Christian Camp. We will be sending ten kids this summer.

We thank you so much for partnering with us in this ministry by your prayers and support.
