

Every time we gather—whether it’s for prayer breakfast, Bible study, a retreat, or even a simple game night—we’re choosing to invest in something eternal: a community of women pursuing Jesus together.

Women’s Ministry Vision Statement

We exist to cultivate a Christ-centered community of women who grow in God’s Word, walk in grace, live with joy, and serve with purpose—together and across generations.

Rooted in worship and grounded in Scripture, we gather to seek Jesus, to be shaped by truth, and to experience the transforming power of God in our everyday lives. We create welcoming spaces where every woman—no matter her story, age, or season—can belong, be known, and be loved.

Through prayer, Bible study, retreats, fellowship, and service, we invest in what lasts: hearts growing closer to Christ and relationships that reflect His love. We believe faith is strengthened when generations connect, when burdens are shared, and when joy is celebrated.

Our ministry reaches beyond ourselves as we serve our church, our community, and the world, living out the compassion and grace of Jesus. United in Him, we walk together—encouraging one another, honoring those who came before us, and equipping those who will come after.

We gather not just to meet—but to be transformed, to love well, and to live on mission for Christ.

At the heart of our ministry are a few core values that shape everything we do. These aren’t just words; they’re foundations.

They are the “Why are we doing it”

Basically: A Christ-centered community of women, rooted in God’s Word, united across generations, growing in grace, joy, and purpose as we serve Jesus together.

Christ-Centered Worship

We gather because Jesus is worthy. When we pray together, sing together, study together, and even laugh together, we are positioning our hearts toward Him. Worship isn’t just a moment—it’s our posture.

Bible-Dependent Truth

We're committed to being women of the Word. Whether in Bible study or retreats, we open Scripture because it is our source of wisdom, comfort, correction, and life. We believe women flourish when rooted in truth.

Grace-Fueled Acceptance

Every one of us walks in with different stories, struggles, and strengths. In Christ, there is room at the table for each one. That's why we host dinners, nights out, and prayer breakfasts—to create safe spaces where women can be welcomed, known, and loved.

Joy-Filled Community

Game nights, dinners, and simple times of fellowship matter. Joy is a gift of the Spirit, and when we gather to laugh, play, or relax, we're practicing the goodness of God together. These moments remind us that the Christian life is not meant to be heavy—it is meant to be shared.

Mission-Minded Service

Our ministry shouldn't stop at our own walls. We want to serve our church family, our community, and the world. That's why we invest in mission projects, encourage service opportunities, and support women's resource ministries. We serve because Jesus first served us.

Generational Equipping

We deeply value women of all ages—seasoned, young, and every stage in between. Older women have wisdom to pass on, and younger women have energy, passion, and perspective. Our gatherings intentionally bring generations together so faith can multiply and grow.

Unity in Christ

Our world is divided, but the church is called to be different. When we share meals, pray together, or craft baskets of love for our seniors, we are declaring that the bond we have in Jesus is stronger than anything that could separate us.

- **Women's Resource Support** — We extend grace to hurting women and families.
- **Dinner Nights Out** — We share life, stories, and encouragement around a table.
- **Baskets of Love for Seniors** — We honor the women who paved the way for us and remind them they are not forgotten.
