

Donating Stocks & Crypto

Transferring stock (or other financial assets like mutual funds) directly to Grace Community Bible Church can provide tax savings to the stock owner if the stock certificates are transferred directly from the owner's brokerage account to GCBC's brokerage account (discuss tax impact with your account or financial advisor).

Once the stock is transferred into GCBC's brokerage account, it will be liquidated and applied to your donation balance.

If you would like to take advantage of a direct stock transfer process to donate to Grace Community Bible Church, below is the contact information you will need.

To initiate the stock transfer process:

- 1) Contact Kristen Folkers (941) 809-4151 (kristenfolkers@gcbcfl.com)
