

## **Kids Ministry Director**

*Heartland Church*

At Heartland, we believe every child should know they are loved, valued, and created with purpose. Our Kids Ministry Director helps bring that to life. We're looking for a leader who is passionate about awakening kids and families to Jesus, and who knows that the most lasting impact happens through relationships, community, and equipped and empowered volunteers.

### **About the Role**

The Kids Ministry Director provides leadership, vision, and strategic direction for Heartland Kids and Wonderfully Made across all Heartland Church locations. They work to create engaging environments, develop volunteer leaders, and help parents feel equipped and supported. This role will also oversee Kids Ministry across our multi-site locations, ensuring consistency, alignment, and a shared heart for the next generation.

### **What You'll Lead:**

- Volunteer Development: Build a thriving community of leaders who feel known, equipped, and confident to invest in kids.
- Family Partnership: Create meaningful ways that help families feel connected, supported, and resourced to lead their kids spiritually.
- Engaging Environments: Shape safe, fun, and impactful experiences that help kids discover who Jesus is.
- Multi-Site Leadership: Support and unify Kids Ministry across campuses with excellence and care.

### **What We're Looking For:**

- Previous experience leading in Kids Ministry (multi-site experience would be great!)
- Strong leadership, communication, and relational skills
- Ability and excitement to recruit and develop volunteers
- Passion for partnering with families in the spiritual development of their kids
- A committed and growing follower of Jesus

If you're energized by helping kids know Jesus and building teams that make ministry thrive, we'd love to connect with you!
