Mission Statement for The Pilgrimage

*For Christians hearing the call to go deeper —
The Pilgrimage creates a community and provides tools
and experiences through which we learn to hear the call of God
and respond in faith, journeying together with friends
on the path to a Spirit-led and joyful life.*

- When you read our Mission Statement — which parts of this excite you? Which parts challenge you?
- As this ministry begins to acknowledge that we *all must contribute* to make the work of *The Pilgrimage* flourish, how does it feel to consider your own contributions?
