

Impact: CRM's automobile ministry receives donated automobiles and performs all necessary repairs to pass Virginia state inspections. CRM gives the automobiles to a needy individual or family who have no other means of transportation.

Transportation is essential in this area to secure and maintain viable employment. Individuals who can't get to work can't keep their jobs. If they can't keep their jobs, they often lose their homes. Last year 36 donated cars were given to families. Repairs were also made to an additional 48 cars to ensure their safety for families in need.

Volunteers: Assist with car repairs, vehicle donations, auto supplies, cleaning, etc. in order to provide safe, functional, and essential vehicles.

Instructions:

- Visit the [Compassion Restoration Ministries](#) website to familiarize yourself with the ministry.
- Contact [Mark DeCoursey](#) to determine the current needs.
- Discuss with your group how you can use your skills to help.
- Let us know how it went. Send an email to mark@staffordcrossing.org and share your story.

Helpful Ideas:

- Take pictures and post them to the Stafford Crossing Facebook page. #sc3missions.
- Include your kids. They can help with some tasks under your supervision.
