Sunday School At First Baptist

Sunday School/Bible Fellowship is very important at First Baptist Church.

Besides the Bible study, Bible Fellowship also offers you the opportunity to be with others around your own age and with whom you have things in common. It is especially important if you are accustomed to a smaller church; Bible Fellowship is where everyone knows one another. With Bible Fellowships, our church can be both small enough for fellowship and large enough to offer a complete range of ministries. You haven't completely tried First Baptist until you have tried Bible Fellowship.

Adult Division

At First Baptist our adult classes are not strictly age-graded. People often try several classes before they find the one that fits them. Sometimes, people find a class outside their exact age-group, but they feel at home and are welcomed. Profiles of the classes are provided in this brochure to help you decide where to start. In classes marked, “co-ed” men and women attend, but you don’t necessarily have to have a spouse with you. Some members attend these classes without a spouse; sometimes the spouse teaches in another class.
