# FROM THE PASTOR'S DESK

Hello KBC Family,

It's an honor and privilege to write to you again this month. It's been an amazing 2022 so far, and as I reflect on the past 9 months, I'm continually amazed at all we have seen King Jesus do in our midst and through our church family. If you have read *The Chronicles of Narnia* by C.S. Lewis or watched the movies then you are familiar with the phrase "Aslan is on the move." In that series of books and movies, Aslan is the Christ figure, and the whole story is a fictitious account of the nature of our spiritual journey throughout our lives. We see the battle of good and evil. We see the obvious differences between right and wrong. We are encouraged to follow our Lion King to physical and eternal victory. We are seeing "Aslan" moving, we are hearing Him roar, and we are seeing the enemy feverishly fight against his impending doom and destruction. The Christ-follower is on the winning side; we always have been, no matter what the immediate situation might be. We are "more than conquerors in and through Christ Jesus." What a glorious thought! Hallelujah! What a Savior. Don't miss out on what God is doing. Engage and participate. Serve and minister. It's never wasted time, talents, or treasure.

We are doing our best to keep everyone informed of everything that's going on, so keep a lookout. We will not have Wednesday evening services and activities next week with the schools out for fall break. We have a lot of things going on this month, most of which is discussed in the Advent this month. If you have questions just reach out to the office.

We are having our quarterly business on October 19. We have some exciting things to share with you during that time. We will be presenting another change in our ministerial staff. God is blessing, we are growing, and I'm excited to see how God works as we continue to follow Him. Our finance team and nominating team are hard at work; please be praying for them and how you might serve King Jesus here at Kelleytown in 2023 and beyond.

God bless you. I love you all.

Serving Him,

Pastor Mike

As I feel the cooler breezes blowing and the seasonal change of summer to fall, I'm reminded of my student days of growing up in the north. In Ohio, fall meant sweatshirts, bon-fires, and the beauty of leaves changing colors and falling from the trees. I recently came across a quote: "Autumn shows us how beautiful it is to let things go." – Unknown

As the trees let go of their leaves, Ephesians instructs us to let go of all bitterness and wrath, let go of anger, let go of clamor and slander and all malice. We are to let go of these hurts and the past. These things steal our joy and peace.

But we are to hold onto kindness and tender-heartedness, hold onto forgiveness, and hold onto Jesus. As we enter this fall season, take time to evaluate what we are choosing to hold onto and what we are choosing to let go! Praising Him,

Pastor Eric
