BIRTHDAYS AND ANNIVERSARIES

Kelleytown
Baptist Church

From the

Pastor's

DESK

Welcome to the month of love Kelleytown Family,

I pray this new year has been good to you thus far. I know some of our church family have experienced trouble and hurt in this new year, and if you are one of those and reading this, remember you are loved, you are prayed for, and you are never alone.

I want to take a moment to share some news that needs to be celebrated. At our annual church meeting in November the finance team share with you that we were in good financial position, we had spent less than we had taken in in tithes and offerings, but we were about \$40,000.00 behind to meet budget. We had an amazing offering in November and December. We finished 2025 having taken in just over \$4,000.00 over our 2025 budget. Praise the Lord. Thank you for faithfully giving to the Lord and the ministry of Kelleytown Baptist Church. I pray the Lord Jesus blesses you continually as you grow in your relationship with Him. When it comes to financial issues, I've learned two great truths. The first is you cannot outgive God. The second is you are never more like God than when you give. Thank you again for giving to the Lord. Lives are being changed. What we see our God doing in and through our church family makes me long for heaven even more! I can't wait to get there and see in an even greater way all the Lord was doing. He is doing more than we can ever understand, and that is why we walk by faith and not by sight.

I hope you are making plans to attend our Love Like Jesus banquet on Wednesday February 11. It's going to a great evening of food and fellowship. All the proceeds will be given to Gideons International to supply much needed Bibles to India. If you want to give additional money to that endeavor, you will have an opportunity that evening.

UPWARD Soccer season is upon us once again. Evaluations are completed, teams are being formed and the practices scheduled. This is another opportunity to be the hands and feet of Jesus to families in our community and beyond. I'm so thankful for those who've already committed to volunteer; you are so faithful to be here to lend a hand and share the love of Jesus. You make such a difference. We are still in need of coaches. You don't have to be a soccer expert. You don't need to know anything about soccer at all. You do need to have a love for kids. You do need to have an attitude of serving. And you do need to sign up. Please do. You will not regret it.

As I close, please be praying for our revival this coming March. Pray for Dr. Phil Hoskins our guest evangelist. Pray for those who will be attending. Pray for the lost to be saved, and the saved to be revived. The dates for the meeting are March 22-25. The services will begin nightly at 6:30pm.

Serving Him,

Pastor Mike

Rom. 5:8

2026 Schedule 6th-12th Grade

- Feb 11thLove Like Jesus Banquet (Vol)

From Your KT Safety Team Ministry

From your KT Safety Team Ministry:

Thank you all for your support of the efforts we put forth to make our services safe and secure for the church. We train on a regular and consistent basis to be ready to respond to situations that could occur in our uncertain world today. We have developed procedures to ensure a response in safety and medical alike.

As you read this we are into the second month of 2026. Hope your Christmas and New Year season has been joyful and blessed.

Your Safety Team urges you to always be aware of your surroundings when at Worship, Life Groups, or any other activities we have. Always evaluate your options to be prepared should a potentially hazardous event occur. Should you secure in place or can you safely exit and escape? If you had to secure in place, what would you use to barricade doors? If you can safely escape, where would you go to be safe? Every situation is different and we pray God will always spare us not to be in that situation at KT. However, that's why your Safety Team trains regularly to detect problems before they can get to that point. However, as in the world outside of KT, you are urged to be alert and know your surroundings. Possibly, take a moment and discuss this within your classes and be prepared if needed. If you have any questions, please ask a Team member.

Have a safe and blessed February. And, remember, Jesus loves YOU !

Happy Birthday
