ARE YOU LOOKING FOR A PLACE TO SERVE?

RIDE SHARE MINISTRY

Just a reminder that we have a ride share ministry. This could involve driving someone to doctor appointments, church, to get groceries, etc. If you would like to serve in this area or you are in need of a ride, please fill out a form located in the office. Contact the church office for more information.

MEALS MINISTRY

We have a list of volunteers who are willing to provide a meal for families in our church body who have just had a new baby, are recovering from surgery or are experiencing other physical difficulties. A number of meals are provided to families by volunteers on a rotating basis. We would love to add more volunteers to this list. If this is a way that you could serve others, please contact the church office. Thank you!

MISSION FOCUS

Jonathan & Kathy Wilson serving with Wycliffe translators in PNG

Pray for them as they have gone back to the jungle village for more checking and editing of Jude and Revelation.

David & Beth Larson, serving with ISI - Director of Global Reach

David & Beth returned from a 7 week overseas trip in late November and are thankful God gave them strength and safety during their travels. They were able to see key next steps for new ministries getting started in three countries. In Botswana we accompanied our contact there in making first student contacts on campus. In Congo, we participated in our new ministry partner's first international student welcome event with 12 students attending from 4 African countries. In Japan we participated in the first ever Japan International Student Ministry Summit co-organized by Yvonne, our ISI Asia-Pacific Director with 49 attending which exceeded expectations. Praise God for safety and strength for the trip and for how He is working to start new ministries in Africa and Asia. Please pray for our next overseas trip from mid-February through March to India and Europe. In all, there are now 10 returnee and alumni networks and David is trying to meet with each of these in connection with either the Thanksgiving or Christmas season. Thank God for the successful start up of the new Japan returnee network and pray that each of these networks are an encouragement to the returnees and alumni who participate. About three years ago, Beth started an online discovery Bible study with three ladies from Taiwan, China and S. Korea who had attended the International Women's Connection while in Ithaca. One by one they have come to believe in Christ - first the woman from Taiwan two years ago, then the woman from China last year and finally the woman from S. Korea this fall. Beth continues to meet with them online. Praise God for drawing these ladies to himself and pray for their continuing growth in their faith and that they are able to get connected to churches which has been a challenge for various reasons. Also, please pray for complete healing from surgery that Beth had on her finger to repair a tendon!

February Sunday School Offering - Jason & Rose Beedon

Your contributions this month will go toward helping the Beedons with funding the many events and outreaches they have through-out the year to minister to the international students at the University of Buffalo.
