47	I have started to be lead by the spirit of God and not think of me. What I have learnt about being Christ like is that I try everyday to live by the Fresh start, so I discover that forgiveness is key, that I can't love my neighbours and not forgive my fellow family or friends. I have developed the manner in which I talk and walk not in the flesh but by the Word of God and deploy this daily at work, home, church and daily life. For me if we say that we are Christians, how can we not speak to our fellow brothers and sisters in church, think that we have rights for the number of year we have attended the church, that we are better than others and it is who you know in church, not the Word of God. I am very happy to know that Pastor Kola and the board has chosen to teach us about who we are in Christ, because you be motivated to do all things in Church.	More than 7 years	46 - 60	Female
48	It has not helped in any way.	More than 7 years	46 - 60	Male
49	I now believe I did not come here on earth empty	More than 7 years	46 - 60	Male
