# TPC 73rd Church Anniversary

BY THE PURPLE CHURCH MEDIA

The 73rd anniversary celebration of The Purple Church was a wonderful worship experience! We honored our past, celebrated our present, and look forward to our future. By coming together as a community, we continue to strengthen our bonds and support the mission of our church.

We kicked off our weekend with a historic groundbreaking of our work force housing development. We feelowshipped with a purple nation invasion movie night, and concluded with an explosive worship experience on Sunday!
