You are welcome here at Spirit of Hope Lutheran Church, exactly as you are. We are a congregation centered in the unconditional love of Christ – love that is for you and for every member of God's family. We do our best to extend the welcome that we first received: a welcome for people of every age and ability and size, of every sexual orientation, gender expression and identity, of every ethnic background and race; lefties, righties, cat people, dog people, doubters, dreamers, addicts, advocates… and you!

As a congregation, we are committed to living out the love of Christ in all that we do, whether in worship or in the work of our hands. We prioritize serving our neighbor, standing in solidarity with the marginalized, standing up for racial equity and the dignity of all people, as we seek to live out our baptismal call to strive for justice and peace. Together, we are striving to bring Christ's love to life.
