

## **LIFE GROUP QUESTIONS 1-22-23**

### **CONNECT:**

The apostle Paul says that the invisible attributes of God are clearly seen in creation. What part(s) of creation stir you to wonder and the worship of God more than any other and why?

### **GROW:**

- What part of this week's text or message stood out to you the most and why?
- God has written two books for mankind. The first is creation and the second is the Bible. What can be discerned about God from creation and what can only be known about God through the Word of God? How can you use creation as an evangelistic tool?
- To be a fool is to willfully play the part of the fool. Why is a failure to honor God always a reflection of a foolish heart? Why is it that a person can be very intelligent and foolish at the same time?
- Why do you suppose idolatry is common to the human experience? What are the common idols of our day and how is Jesus better than them all?

### **SERVE:**

Consider ways to serve someone in your Life Group this week or how your Life Group can serve someone else this week.

### **MULTIPLY:**

What is one practical thing you can do this week to help an unbeliever see the reality of Christ a little bit better through creation or through your life? How can your Life Group help you in this?
