

PEOPLE FAR FROM GOD

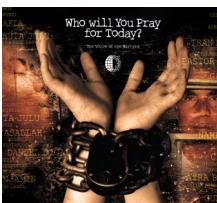

II Corinthians 5:20-21 Therefore, we are ambassadors for Christ, God making His appeal through us. We implore you on behalf of Christ, be reconciled to God. For our sake he made him to be sin who knew no sin, so that in him we might become the righteousness of God

During this season of prayer, pray for those who are far from God that he has burdened your heart for and pray for their salvation and how God would use you in the process.

- **Pray for our nation.** Pray for our local communities, our elected officials, our armed forces, and our law enforcement/ first responders. Pray for wisdom for our country's leadership and that as a nation we would seek to do the Lord's will both globally as a nation and as individuals.

February 05, 2026 | Laos - Christian Woman, Rejected by Family, Finds New Home

A Laotian Christian woman has been abandoned by her family and forced from her home for her faith in Christ. In 2022, Mai Yea visited her uncle, a Christian, who shared the gospel with her. She decided to believe in God. After Mai Yea returned home, her husband was angry. He beat her and threatened to

kill her, fearing that her Christian faith would anger the house spirits. She returned to her uncle's house and in 2024 went to live with her married son and his family. When Mai Yea's husband visited and told his son that sickness would come because of Mai Yea's beliefs, he kicked her out. Mai Yea's husband and son said she can return if she will abandon her

Christian faith, but Mai Yea said she will not go back because God is good and she does not want evil spirits in her life. Her uncle is letting her stay on his property, and the body of Christ is helping Mai Yea build a hut to live in with her 13-year-old daughter, Pajan.

HEALTH AND MEMBER NEEDS

James 5:16-18 *Therefore, confess your sins to one another and pray for one another, that you may be healed. The prayer of a righteous person has great power as it is working. Elijah was a man with a nature like ours, and he prayed fervently that it might not rain, and for 3 years and 6 months it did not rain on the earth. Then he prayed again, and heaven gave rain, and the earth bore its fruit*

During this season of prayer, pray for those who are sick and in need of healing

- **Lee Kistner** - Praise! He received great news that the results from his biopsy came back and he is now in remission, as they couldn't find any cancer cells in the sample! His Dr still hasn't ruled out a transplant as he didn't tolerate the chemo at the beginning too well and the new medicine he is on now is causing fevers, chills, severe headaches, dizziness and nausea. The last 10 days have been hard, but another good bit of news is, the medicine needs a weekly bag change and he should be able to get that done down here at the Arnot, so that means a few less trips up Rochester.
- **Matt Everhart** - cousin suffered many serious fractures in a snowmobile accident, but thankfully internal injuries were relatively minor. He is in good spirits, but has a long road of recovery and physical therapy ahead.
- **Linda Saukas** - had knee replacement surgery and is now recovering. Pray for healing and continued improvement in mobility with the new knee.
- **Sue Charles** - mom Betty passed. She had been home on hospice. Keep the Charles family in prayer as they grieve the loss of their mother and grandmother, and rejoice in the sure promises of Christ.
- **Wendy Swearingen** - dad passed last night. He was 98. Details are incomplete at this time. Pray for comfort and encouragement for Wendy and the family.
- **Rosemary Kolynich** - biopsy was last week in Rochester. Pray that it comes back negative. She is also suffering from terrible tooth pain that cannot be dealt with for at least 2 weeks after her biopsy. Pray for relief from the pain.
- **Gregory Richards** - Praise! His bone biopsy taken after his recent surgery in Rochester came back clear! Pray that healing would be quick & complete.
- **Melissa Trumbo** - is still struggling with pain from surgery and injuries from her accident. Pray for healing and complete relief from pain.
- **Layne Williams** - had cataract surgery Tuesday. Please pray that the procedure is effective.
- **Moses & Tabbysue** - and all their children were hospitalized for a severe gastro illness. Praise that all have been treated and released. Tabbysue's endoscopy results showed no issues so her struggles seem to be from the infection. Praise God that everyone has been discharged and the family is recovering at home!
- **Jim Kellogg** - begins his next cycle of chemo in Rochester this Friday as his doctors try to find the right balance of chemo and meds to control his refractory cGVHD.
- **Mary Morgan** - had a bad fall last Sunday and is pretty banged up, but is still at Elcor. Pray for healing and protection from more falls.
