## THE ESSENTIAL WORD

### 1 THESSALONIANS 2:13-16

The Word of God is a miraculous work of God. It was written progressively over 1600 years by 40 different human authors in three different languages who had 19 different occupations in 13 different countries across 66 unique books and yet, there is one redemptive thread that weaves it all together perfectly.

There is not another book like it in the world and yet, sadly, many Christians lose their hunger for it over time.

This week the apostle Paul is going to commend the Thessalonians for the way they heard, received, and accepted the Word of God.

The question is, can that be said of you. One's relationship to the Bible will determine everything else about their relationship with God and the world.

## LIFE GROUP QUESTIONS 2-8-26

### CONNECT

Paul speaks of the Word of God in this week's text. With that said, answer one of the following questions – when did you receive your first Bible, when was your greatest season of spiritual growth, or what study Bible or resource would you recommend to others in their Bible study?

### GROW

- What stood out to you the most this week from the service, text, or message and why?
- What is the most recent thing you read in the Bible that amazed you or challenged you? Was that something that was new to you or was it a familiar truth that jumped out at you in a new way?
- Have you had an experience where you sought to live like Jesus and that wasn't well received by others? If yes, what did you learn from that?
- Paul says that those who hinder the spread of the Gospel oppose all mankind (1 Thess. 2:16). What does it mean to you, therefore, that evangelism is a Biblical way to serve all mankind? What practical and creative ways can you use as an occasion to share the Gospel with people?

### MULTIPLY

What is one practical thing you can do this week to serve someone far from God? How can your Life Group help you with this?
