**STEVEN MINISTRY** – Stephen Ministry is a lay-led Christian ministry that equips trained members (Stephen Ministers) to provide confidential, one-on-one care to people facing life difficulties like grief, job loss, illness, or divorce, supplementing pastoral care with structured support and focusing on Christ-centered listening, not counseling. We are in the beginning stages of starting this ministry and are looking for 2-3 individuals who feel called to assist in leading this team. If you would like more information about what the training process looks like, please reach out to Pastor Kyle.
