# Trinity School Welcomes New Teachers!

Trinity is excited to welcome our new first grade teacher, Mrs. Ashley Kohnhorst, originally from Burney, California—a town known for the beautiful Burney Falls, once called the “Eighth Wonder of the World” by President Roosevelt! She earned her degree from Central State University in Ohio and has experience as a K-5 substitute teacher in both Northern California and Merrill schools. What inspired Mrs. Kohnhorst to pursue teaching is the joy of watching students grow throughout the school year and develop a love for learning. She treasures the opportunity to make a difference in a child’s life and values the relationships she gets to build with her students.

This year, Mrs. Kohnhorst is especially excited to share her faith in the classroom and be part of the Trinity community. She also hopes to get more involved locally and create fun new traditions with her students.

Outside the classroom, she enjoys hiking, fishing, and paddle boarding with her husband and three children, and she also loves to crochet.

We’re thrilled to have Mrs. Kohnhorst at Trinity—welcome to the team!

Trinity couldn’t be any happier than to welcome Mrs. Amanda Goeden to Trinity’s teaching staff as our new 3rd grade teacher. A proud Merrill native and Trinity alumni, Mrs. Goeden attended Trinity from preschool through 8th grade. After earning her teaching degree, she spent two years teaching 4th grade in Siren, WI, before returning to Merrill, where she’s spent the past several years teaching in public schools. With 11 years of experience, she has taught Kindergarten through 5th grade and is excited to return to her roots.

This year, Mrs. Goeden will be teaching 3rd grade and teaming up with 4th grade for science, social studies, art, and religion. She’s especially excited to openly share her faith in the classroom and partner with families to support student growth—she also is looking forward to teaching art!

Mrs. Goeden has always felt called to work with kids, and her journey into teaching reflects her belief that God places people and opportunities in our lives for a purpose. One of her goals this year is to become more familiar with science of reading strategies, and she’s also preparing for the unique adventure of having her own daughter in her class!

Outside of school, she enjoys crafting of all kinds—wood burning, resin work, stained glass, and drawing—along with going on fun little adventures with her husband and two daughters.

Fun fact: Mrs. Goeden shares her birthday with both her grandpa and Mickey Mouse!

We’re excited to welcome our new 5th grade teacher, Miss Molly Duginski, to Trinity! Originally from Merrill, WI, she is beginning her first year of teaching and is eager to make a meaningful impact in the classroom.

Miss Duginski was inspired to become a teacher by a desire to advocate for students and help them grow—not just academically, but spiritually and socially as well. She’s especially looking forward to building strong relationships with her students and their families while helping each child recognize their own potential.

One of Miss Duginski’s goals for this school year is to create an engaging learning environment that sparks curiosity and encourages active participation.

Outside of the classroom, she enjoys hiking, camping, traveling, and spending time with her family and friends. We are so glad you will be with us Miss Duginski.

Trinity is excited to welcome our new 8th grade homeroom teacher, Mrs. Jennifer Radtke!

Originally from Port Washington, WI, she brings over a decade of teaching experience, including the past 12 years with MAPS, most recently in 5th grade Social Studies.

Mrs. Radtke's journey into teaching began after spending several years at home raising her three daughters and volunteering in their classrooms. That time revealed a new calling: to serve in education as a way to support both students and fellow teachers. She views the classroom as a mission field where every child should feel seen and valued.

Mrs. Radtke is especially excited to bring faith into the classroom at Trinity and to continue growing her passion for Social Studies—an often-overlooked subject she believes is vital to helping students understand and care for the world around them.

Outside of school, she enjoys spending time with her husband and daughters, crafting, reading, and finding fun adventures. She's also been a youth leader at CHAOS, a local multi-denominational youth group, for the past nine years.

Welcome to Trinity, Mrs. Radtke—we're so glad to have you!
