## RECONCILING MINISTRY

*Here at Amlin, all are invited to come as you are to praise the Lord and receive the Good News of Jesus Christ. We believe that we are all called to love our neighbor and that all people are worthy of love. It is our differences that make us whole. If you are new to Amlin, we hope you'll find a place where you are warmly welcomed and feel at home.*

## OUR MISSION

*Go and make disciples for the transformation of the world!*

Dear Easter People,

This is who you are, still. I pray you are still living as people living in the light of the resurrection.

I hope that you have been enjoying reading Draw the Circle by Mark Batterson. This pairs with our sermon series that we are currently experiencing from The Circle Maker, also by Mark Batterson. As you read and learn to draw circles around things in your own life, please include Amlin in your prayers.

As the series began this past Sunday, I challenged all of us to a 21 day prayer challenge. I am asking you to go to the Lord everyday these 21 days, intentionally circling your specific requests, as well as nameing Amlin in your prayers. I can't wait to see what God will do in these 21 days in your lives and in the life of the church.

I also have a few updates for you. We did receive notice that the ASLES church, which has been renting the New Life Center, has found a different place to worship, where they will be able to have full access to the building throughout the week. This will decrease our income. However, we pray for their future.

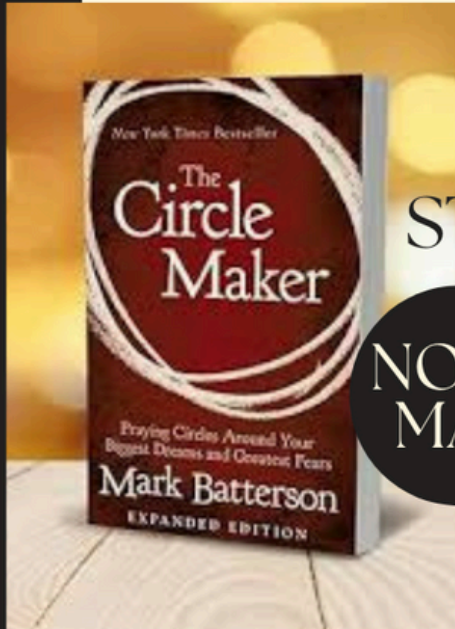

KSM, the youth sports camp that we partnered with for our Easter Egg Hunt will be renting the NLC beginning in the middle of May. They will be in the building each week day from early in the morning until 5:30pm. We ask that you come in the evenings, if you need to access the building. We are excited to have them renting the building and using our land. We pray this will allow us to connect with and provide for the families in our community.

Finally, I want to give you some hope that the West Ohio Conference has offered to give us a little help financially so that we are not having to dip into our saving for the next couple of months, but please continue to pray for our sustainability.

Blessings, Pastor Liz
