SPECIAL GUEST:

Kim Mason & Cheryl Burk

Trinity has celebrated over 40 years of music ministry. This Van Wert, Ohio based gospel group was originally started by Gary Adams and began as a male trio. Over the 40 years it has been a male quartet, mixed quartet and finally the last 25 years it has been a mixed trio of Gary Adams, Cheryl Burk & Kim Mason. At 85

years old Gary could still soar up on those beautiful tenor notes that everyone loved to hear. In March of 2023, Gary joined Heaven's Choir as God called him home. After much prayer, Trinity has decided to carry on the ministry Gary so faithfully served and continue singing as a duet. The duo is excited to see what God has in store as we continue to lift up His Word in song.
