SPECIAL GUEST:

Kristen Stanton Patz

THE ARTIST:

Dynamic. Whether it is in her singing or speaking It is the one word that covers it all.

Kristen sings with both passion and power through an anointing by the Holy Spirit. She believes in sharing her heart and message through each of the songs she sings. No song is unintentional, and every song builds upon a greater message. You will be entertained, encouraged, uplifted, and blessed at one of her concerts. You will also hear the Gospel. Every time.

"That's what it's all about. It is the only reason I do what I do. You can be entertained at home watching a movie. You can be encouraged by reading a book. But I pray that people will see God and the sacrifice of Jesus Christ in a new light and that they will experience Him in a new way."

"I was saved when I was 4 years old. I've been in church my whole life. I went to a Christian college. I don't have the experiences of walking away from God and how He brought me back. But I DO have the experience of how God continuously reveals Himself to me... of how He answers prayer. I want people to understand who God is so that they can be more of a reflection of Him. My goal is to help others see God in a way that meets every need in their life."
