## HAPPY MOTHER'S DAY

There are many things in life that are not appreciated at the moment. It takes time for true value to surface. That can be said about our mothers. There are not many young children who truly appreciate their mother until later in life. I remember calling my mother multiple times as my children were growing up just to tell her "Thank you". It took being a parent to realize all that my mother had done for me and all I put her through. So as we celebrate Mother's Day today I want to highlight a passage of scripture that is often read on this day. Proverbs 31 describes a wife of noble character. She is a woman of:

**DIGNITY** – She is worthy of praise and a woman of great value. She adds value to her home, church family, community and to the world.

**PATIENCE** – The scripture tells us that she "considers a field and buys it". She is willing to wait patiently and make the best decisions.

**DILIGENCE** – She is a hard worker. Her work is not only fruitful, it makes her stronger.

**GENEROUSITY** - With all that she had worked for and acquired, she freely gives to the poor. She truly is a blessing as she intentionally seeks to help others.

**COURAGE** – She can laugh at the days to come because she is encouraged in the truth that God has ordered her steps. Because she trusts God with tomorrow, she can have peace for today.

**WISDOM** - With God as her guiding source, she has clarity on the decisions she makes, how she lives her life, and the words she chooses.

**DEVOTION** - She's praised because she is first devoted to God. All of her virtuous qualities are founded on her devotion to the Lord.

*Charm is deceptive, and beauty is fleeting; but a woman who fears the LORD is to be praised. Proverbs 31:30*

Choose this day and every day to love and honor your mother. She is a gift from God.

Phillip
